Sophomore Student Success Tips

Developing good habits in the classroom will make a huge difference this year, the rest of high school and when or if you choose college. Now is the time to improve those habits and skills. If you follow these tips, you'll get more out of class, and you'll probably enjoy being there!

1. JOIN IN ON CLASS DISCUSSION

- i. Don't sit quietly in the back
- ii. Participate in the conversation

2. ASK QUESTIONS IF YOU DON'T UNDERSTAND SOMETHING

- i. If you didn't understand it, there's a good chance others didn't either
- ii. You are not alone

3. KEEP UP WITH CLASS ASSIGNMENTS

- i. Keep a checklist of when they're due—or finish them before the due date

4. CHECK FOR PHONE APPS

- i. To remind you about deadlines, assignments, and exams

Valedictorian Criteria

The student with the highest weighted grade point average after 8 semesters of high school coursework will be deemed valedictorian. In order to obtain a level playing field, all students vying for valedictorian, must earn a total of 24 credits

Attendance and Your GPA

“10 Day Rule”

- Class attendance and participation are requirements for receiving credit in a given class at the highschool level. Therefore, a student may be given a P credit in any given class for which he/she would have otherwise earned a passing grade/mark-when absences exceed a total of ten (10) per semester.
- Students may appeal the 10 absences per semester limit. A student who anticipates that an extended absence will exceed the 10 day limit may appeal in advance.
- A student must initiate the appeal process at least one week before the end of the semester by obtaining a form from his/her Assistant Principal/Attendance Clerk.

Students with the last name A-G	Mr. Kroll	Attendance Clerk Patty Melvin
Students with the last name H-O	Mr. Russell	Attendance Clerk Sheri Franjevic
Students with the last name P-Z	Mrs. Strouf	Attendance Clerk Dennisse Williams

Rigorous Core Fact Sheet

Students can complete the Regent's College Preparatory Program (4 years of English, 3 years of math, 3 years of Social Studies, 2 of Science, and 2 of electives) to enter any of Montana's four-year universities. However, students who take more rigorous coursework in high school maintain high GPAs and score well on the ACT or SAT are most likely to be successful in college. The Montana Board of Regents adopted the Rigorous Core as a **requirement for the MUS Honors Scholarship (MUSHS)** in order to assure that the most meritorious students would compete for this scholarship and assure that their grade point averages would be based on a similar set of rigorous courses (up to 200 MUSHS are offered to high school seniors each year). The complete text of the applicable policies can be found within the Board of Regents Policy Manual: <http://mus.edu/borpol/bor500/501-1.pdf>

ENGLISH-4 YEARS

In each year the content of the course should have an emphasis upon the development of written and oral communication skills and literature. In addition a designated college-prep or research writing course is recommended

MATH-4 YEARS

Courses shall include Algebra 1, Geometry, and Algebra 2 (or the sequential content equivalent of these courses) and a course beyond Algebra 2 or Integrated Math IV (such as Trigonometry, Pre-Calculus, Calculus, Computer Math, or Integrated Math VI.) All must have grades of "C" or better.

NOTE: In school systems where a student may take Algebra 1 in the 8th grade, this credit must be listed on their high school transcript to be included when calculating their Math requirements.

SOCIAL STUDIES-3 YEARS

The courses include Global Studies (such as World History or World Geography); American History; and Government, Economics, Indian History or other third year courses.

NOTE: Students must complete a full year of global studies such as World History or World Geography, a full year of American History, and an additional year in another social studies field such as economics, problems of democracy, psychology, sociology, tribal government or Indian History. With the recommendation of an additional ½ year or more of other coursework such as psychology or humanities.

LAB SCIENCE-3 YEARS

Full year of each: General or Earth Science; Biology; Chemistry or Physics

NOTE: Your school may have additional courses listed as Lab Sciences, please check this website to verify <http://www.mus.edu/che/arsa/CollegePrep/hcspindex.asp>

ELECTIVES-3 YEARS

3 years chosen from the following: World Language (preferable 2 years), Computer Science, Visual and Performing Arts (including Speech/Debate), CTE units which meet OPI guidelines (such as Information Technology, Computer Science.)

Alternate Rigorous Core Math/Science Combination

Three year of math, including a course beyond Algebra 2, and four years of laboratory science may be substituted for the four years of math and three years of science requirement

Pre-ACT

PreACT simulates the ACT testing experience within a shorter test window on all four ACT test subjects:

- English**
- Math**
- Reading**
- Science**

Results predict future success on the ACT test, and provide both current achievement and projected future ACT test scores on the familiar 1-36 ACT score scale.

Key Benefits

- Early practice for the ACT test with flexible test administration dates – test on your schedule
- PreACT score and predicted ACT score ranges align to the ACT 1–36 scale
- Students may opt to share their information with colleges and scholarship agencies
- ACT Interest Inventory results provide students with a personalized view of interests with college and career alignment
- Valuable results provide actionable insights to help educators, parents and students make important decisions for the future
- Rapid reporting turnaround within 2-4 weeks of receipt of answer documents allows for early and effective planning to ensure students can attain the future and career success they envision

Clubs and Activities

ACADEMIC TEAM – Do you like to learn new things, spend time with interesting people and compete with top students from around our region? Then academic team is for you! All students are welcome to join. We have Varsity and junior Varsity teams that compete in the areas of general knowledge, history and science. You can choose whether to participate in one or more competitions, depending on your schedule and availability. Please see Ms. Biersdorf in Room 221 for more information.

ADVOCATES - Senior Advocates are a group of our Juniors and Seniors who gain community service credit through being ambassadors for Senior High. Advocates are present on our first day of school with the freshmen to share what they love about being part of our school. They conduct tours of the building, help teachers with classroom activities, help out in our food pantry, and provide service to the committee that organizes Saturday Live, just to name a few of the areas where we provide service to the building. See Mrs. Nation in room 101 for more information.

ART and CLAY CLUB - This club is an opportunity for students to work with clay during a time other than scheduled class. All students are welcome on a drop-in basis. The ceramics teacher supervises the activity, but there is not instruction. Mondays @ 3:10. Sponsor Mrs. Petersen - room 115

ARCHERY CLUB – This club meets biweekly to learn and practice archery. Tuesdays & Thursdays @ 3:45 at Superior Archery in Lockwood. Sponsor: Mike Walz

BOOKS and MOVIES Club (BAM) – This club reads books that have been made into movies and then gets together for a movie night of that book. See sponsors Mrs. Bloomenrader and Mrs. Aselson in the Library for more information.

BPA - Business Professionals of America. BPA helps students prepare for a world class workforce through the advancement of leadership, citizenship, academic, and technological skills. Students can compete in over 60 contests in the following four categories: Financial Services, Administrative Support, Information Technology, and Management, Marketing & Human Resources. Students have the ability to compete at regional, state, and national competition every year. Sponsor: Mr. Easton Room 31C

BRONC ANNUAL – The staff is responsible for creating the school yearbook. Staff members take photographs, sell yearbooks and advertising, construct electronic layouts and produce the yearbook. For information, please talk to Mr. Restad in Room 206.

BRONC EXPRESS - The staff is responsible for writing, editing, and producing issues of the Bronc Express, the school newspaper. Bronc Annual Staff members must sign up for Bronc Express class and participate for the full year. For information, please talk to Mr. Restad in Room 206.

CHEERLEADING - Cheerleaders are responsible for supporting school spirit and are role models in our school and community. Cheering at pep assemblies and JV and Varsity games our main role, but we do everything we can to increase the school spirit in Bronc Nation. We have both seasonal and full year positions, allowing our cheerleaders to participate in other school activities! Fundraising is a big part of our summer season as we raise money for uniforms and other items that are needed throughout the year. Tryouts are held each Spring and flyers are posted throughout the high school and are distributed to the middle school with times and dates. We cheer for all sports, including home and cross-town events for cross country football, volleyball, soccer, wrestling, and boys/girls basketball. Varsity cheerleaders also travel for some playoff and state games. Cheerleaders also make appearances in many local events throughout the city of Billings as volunteers. Sponsor: Taylor Beagle, email beaglet@billingssschools.org

CHESS CLUB – Monday’s after school. Rm 216 For more information see Mr. Bottrell-Rm 216

DANCE TEAM - Senior Storm performs at home football games and both girls and boys basketball games. Tryouts are in November and in the spring (usually in April.) Flyers will be sent to the middle schools before tryouts. Sponsor: Chelsea Nelson

DRAMA/PLAY – The drama club meets weekly and puts on two plays a year; one in the fall/winter and one in spring. Drama Club meets on Thursdays at 3:30 in Room 220. See sponsor: Katie Rehberg

FCCLA – Family Career Community Leaders of America - Involvement in FCCLA offers members the opportunity to expand their leadership potential and develop skills for life -- planning, goal setting, problem solving, decision making, and interpersonal communication -- necessary in the home and workplace. Students can participate in over 50 competitive events focusing on addressing youth concerns through Family and Consumer Sciences education, a few examples include: parenting, family relationships, environment, nutrition & fitness, career exploration. Students have the ability to compete at regional, state and national competitions every year. Chapter meetings are: Weds. at lunch, Room 136. Sponsor: Mrs. Charlton-Rm 136

FILM CLUB – Meets to viewing short films about a voted on topic. The kids will be taught different angles, points of view, timing and editing skills. Fridays after school, Room 217. Sponsor: Mr. Bishop

FORENSICS/SPEECH and DEBATE - Debate teams and Speech. During the season practice is held after school Monday through Friday at 3:15 in various rooms. Sponsor: Ben Norberg and Sonia Davis.

FRENCH CLUB – meets on Wednesdays after school for preparing French goodies, holiday projects, party planning and games (outdoor-weather permitting). Sponsor Mrs. Schlaht-room 213.

GAME CLUB – This club meets to play tabletop games. The club meets Thursdays after school in the Library. Sponsor: Alice Asleson

GAMING CLUB – See club sponsor, Mr. Rader, in Room 326 for more information.

GSA CLUB – The Gay Straight Alliance Club meets each Wednesday at lunch in Room 216. GSA is made up of students of all backgrounds and orientations and no questions are asked about a student’s gender or identity. LGBTQ issues in and around our school as well as in the broader community are discussed. New attendees are always welcome. Free pizza is served each week.

IMPARTIAL POLITICS CLUB – The Impartial Politics Club meets in Room 311 after school (days vary). The goal of this club is to discuss every angle of a political belief that a person may hold. The goal is to help members understand the reasons others hold these beliefs and highlight the need and lack of open mindedness in the modern political realm. Sponsor: Houston Harmon Room 311.

KEY CLUB - Key Club is a service club associated with the Kiwanis. We participate and organize community projects such as the Festival of Trees, food drives and dress-a-child. Meetings are the 2nd and 4th Wednesdays in room 322. Sponsor: Miss Stugelmeyer, Room 322.

MOUNTAIN BIKING CLUB – Join the High School mountain biking revolution! Never mountain biked before? This is the best place to start. Everyone rides and coaches will help you find a bike and/or helmet. The goal is to build strong minds, bodies and character while having fun. Races are optional, but encouraged. There will be one trained coach to every 6 riders. This is a city wide NICA club and Senior’s club will help get city wide ride information out to our students. For more information see sponsors Jennifer Hudson (Room 334) or James Easton (Room 313A).

NATIVE AMERICAN CLUB - Social and Cultural activities. Meetings are Tuesdays at 3:10 to 4:00 in room 128. See Mr. Covers Up in room 128 for more information.

SPANISH CLUB- The Spanish Club celebrates and promotes intercultural education. In a effort to reach this goal, we invite all Spanish students to join our club. Events that we celebrate include: Cinco de Mayo, Dia de los muertos, Dia del amor y la amistad, Navidad y Dia de las brujas. Spanish Club meets 2 Wednesdays each month. For more information see Sponsor, Mrs. Nation in room 101

STEM Society - STEM (Science Technology Engineering and Mathematics) Society is a student-led organization at Billings Senior High School. The aim of STEM Society is to provide opportunities for students to engage in STEM outside of class. We go on field trips to help with scientific research and assist scientists in the field; we visit elementary schools and perform STEM Magic Shows to show young people the wonders of science. Participation in this organization qualifies you to earn an Academic Letter and Pin in science (similar to Varsity Activities Letter). We meet every other Wednesday (dates/times to be announced) in room 223. Join us to learn more!

STU CO (Student Council) - Stu Co promotes school spirit all through the year and especially during Homecoming Week. They help others in the community all through the year. Student Council governs the student body of Senior High School. Student Council handles sending students to boys and girls state in Helena. We have our elections for the upperclassman in March and elections for freshman in the fall. Meetings are every Wednesday at Lunch. Sponsor: Mrs.Fleek Airne - room 203

TECH CLUB – Meetings start in November – Tuesday after school room 117. See Mr. Keller in room 117.

YOUNG DEMOCRATS CLUB – The Young Democrats Club works inside Senior High and in our community to increase student voter registration, educate students on political issues, and volunteer with democratic organizations and campaigns. See Mrs. Lord, Room 305
